

# Need Internet Service?

This Brochure is designed to help you in attaining **Internet Service** provided by the Utilities Board of the City of Sylacauga. We hope that this step by step plan will assist in moving you thru the process easily, as well as insuring your service is provided in a timely manner. Please take the time to read this brochure carefully.

## **1. Fixed Wireless Internet Service**

The Sylacauga Utilities Board (SUB) currently offers a wireless 3 Mbps DSL service suitable for home or small business use. Other data services are available. Please call the SUB Telcom Dept. at 256-401-2546 for details. Signal may not be available in all areas

## **2. Fiber Optic Services**

Our 20, 50, 100 and 150 Mbps fast Ethernet Fiber Optic services provisioned on our 10 Gbps Fiber Optic backbone, provides a super fast reliable connection to the internet. There is a \$50.00 installation charge. These Fiber Optic services require a signed one (1) year contract and costs begin at \$70.00 a month for the 20 Mbps service and up to \$500.00 a month for the 150 Mbps service. Please call the SUB Telcom Dept. at 256-401-2546 for details.
